Welcome to Magellan Complete Care of Virginia

This provider directory lists the doctors and specialty physicians in your area who work with Magellan Complete Care of Virginia (MCC of VA). These providers make up our network and serve Commonwealth Coordinated Care Plus members, including Medicaid Expansion members. We also list the names and locations of hospitals, clinics, pharmacies, laboratories and behavioral health providers. For each provider we will list affiliations, accommodations for people with disabilities, addresses, phone numbers, websites and whether they are accepting new patients.

We are always working to add new providers and facilities to our network. To see the most current list, use the Find a Provider or Pharmacy tool on our website at www.MCCofVA.com.

Your primary care provider (PCP)

A PCP is a doctor chosen by you who meets state requirements and is trained to give you basic medical care. If you do not have a PCP, we can help you find one in your community. Your PCP could be a family practice provider, internal medicine provider or pediatrician (for children). Women can also choose to have an OB/GYN as their PCP.

If you do not select a PCP by the 25th of the month before the effective date of your coverage, MCC of VA will automatically select one for you. You may call MCC of VA’s Member Services at any time to change your PCP. You may continue to see your current PCP for up to 30 days if he or she is not in our network. At the end of the 30-day period, if you do not choose a PCP in the MCC of VA network, we will assign a PCP to you.

Please see provider list for revision date.
Make sure to call your PCP to set up your or your child’s first appointment. Regular checkups each year help you stay healthy. Your PCP is also the first person to call when you’re sick.

**Network pharmacies**
These are drug stores that have agreed to fill prescriptions for MCC of VA members. Unless you have an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help pay for them. You will find a list of network pharmacies in this directory. Please call Member Services for help finding a pharmacy near you.

**Specialist visits**
Your PCP is who you should see for most of your healthcare needs. Sometimes you might need specialty care from a doctor who provides care for a specific disease or part of the body. Most specialist providers are in our network.

MCC of VA does not require referrals to see specialist providers. However, some specialists that are in the network do require a referral from your PCP. The only time MCC of VA would need a service to be prior authorized would be if the PCP is referring you to a non-participating provider.

**Behavioral health services**
We know that staying healthy is not just about your body. Many people struggle with behavioral health challenges such as depression, anxiety or misuse of drugs and alcohol.

That’s why we provide access to behavioral health services. Some behavioral health services are covered through Magellan of Virginia, the Behavioral Health Services Administrator (BHSA). Member Services can help you get the services you need, including those covered through the BHSA.

You can get help finding a behavioral health or substance abuse provider by calling Member Services. You can also find a list of behavioral health providers in this directory. You do not need a referral for substance abuse appointments. Through our Behavioral Crisis Line, someone is available to help you 24 hours a day, seven days a week.

**Where to go for emergency care**
An emergency is a sudden or unexpected illness, severe pain, accident or injury that could cause serious injury or death if it is not treated right away.

If this happens to you or your child, call 911 or go to the closest emergency room right away. You do not need to call MCC of VA first. You do not need to get pre-approval from us for

Please see provider list for revision date.
emergency services. You can go to any hospital for emergency care, even if you are in another city or state. Tell them you are an MCC of VA member and show them your member ID card.

Where to go for urgent care
Urgently needed care is for a sudden illness, injury or condition that isn’t an emergency, but needs care right away. For example, you may have an existing condition that worsens and needs treatment right away. Other examples of things you would get urgent care for are skin rashes, infection, flu, sprains and fever.

If you need urgent care during the work day, call your PCP. If you’re not able to get an appointment with your PCP, or if it’s after-hours, you can go to one of the urgent care centers we work with. There is a section in this directory that lists urgent care centers.

When you are outside the service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Emergency transportation
If you are having a medical emergency and need a ride, call 911. We will pay for emergency transportation.

Get a ride to your covered services
Need a ride to your medical appointments? Please try to get a family member, friend or neighbor to help you get to your appointment. If you aren’t able to find a ride, we’ll help you get there. Call us at 1-800-424-4524 (TTY 711) to set up a ride. Please call at least 72 hours before your appointment.

How to use this directory
There is information on each of the listings to help you decide what provider or facility is best for you. If you have any questions about the information, or need help, please call Member Services.

Su proveedor de atención primaria (PCP)

Un PCP es un médico elegido por usted que cumple requisitos fijados por el Estado y está capacitado para brindarle atención médica básica. Si no tiene un PCP, le podemos ayudar a encontrar uno en su comunidad. Su PCP puede ser un proveedor de medicina familiar, un proveedor de medicina interna o un pediatra (para niños). Las mujeres también pueden elegir tener un obstetra/ginecólogo como su PCP.

Si no selecciona un PCP antes del día 25.° del mes anterior a la fecha de entrada en vigencia de su cobertura, MCC of VA seleccionará automáticamente uno para usted. Puede llamar a Servicios al Miembro de MCC of VA en cualquier momento para cambiar su PCP. Puede continuar viendo a su PCP actual por hasta 30 días si él o ella no está en nuestra red. Al final del período de 30 días, si no elige un PCP de la red de MCC of VA, le asignaremos un PCP.

Por favor, consulte la lista de proveedores para la fecha de revisión.
Asegúrese de llamar a su PCP para programar su primera cita o la de su hijo(a). Los chequeos regulares cada año lo ayudan a mantenerse saludable. Su PCP también es la primera persona a quien llamar cuando esté enfermo.

**Farmacias de la red**

Estos son establecimientos de venta de medicamentos que han convenido en surtir medicamentos recetados a los miembros de MCC of VA. A menos que tenga una emergencia, usted debe surtirse de sus medicamentos en una de nuestras farmacias de la red, si usted desea que nuestro plan le ayude a pagar por esos medicamentos. Encontrará una lista de farmacias de la red en este directorio. Llame a Servicios al Miembro para obtener ayuda para encontrar una farmacia cercana.

**Consultas a especialistas**

Su PCP es la persona a quien debe consultar para la mayoría de sus necesidades de atención médica. A veces puede necesitar atención especializada de un médico que brinda atención para una enfermedad específica o parte del cuerpo. La mayoría de los proveedores especialistas está en nuestra red.

MCC of VA no requiere derivaciones para ver proveedores especializados. Sin embargo, algunos especialistas que están en la red requieren una derivación de su PCP. La única vez que MCC of VA necesitaría que un servicio sea autorizado previamente sería si el PCP lo deriva a un proveedor no participante.

**Servicios de salud conductual**

Sabemos que mantenerse saludable no es solo sobre su cuerpo. Muchas personas luchan con desafíos de salud conductual como la depresión, la ansiedad o el uso indebido de drogas y alcohol.

Es por eso que brindamos acceso a servicios de salud conductual. Algunos servicios de salud conductual están cubiertos a través de Magellan of Virginia, el administrador de servicios de salud conductual (Behavioral Health Services Administrator, BHSA). Servicios al Miembro puede ayudarlo a obtener los servicios que necesita, incluidos los cubiertos a través del BHSA.

Puede obtener ayuda para encontrar un proveedor de salud conductual o abuso de sustancias llamando a Servicios al Miembro. También puede encontrar una lista de proveedores de salud conductual en este directorio. No necesita una derivación para citas de abuso de sustancias. Alguien estará disponible para ayudarlo las 24 horas del día, los siete días de la semana a través de nuestra Línea de Crisis Conductual.

**Dónde acudir para recibir atención de emergencia**

Una emergencia es una enfermedad, dolor intenso, accidente o lesión repentina o inesperada que podría causar lesiones graves o la muerte si no se trata inmediatamente.

Si esto le sucede a usted o a su hijo(a), llame al 911 o vaya a la sala de emergencias más cercana de inmediato. No debe llamar a MCC of VA primero. No necesita obtener una aprobación previa.

Por favor, consulte la lista de proveedores para la fecha de revisión.
de nosotros para los servicios de emergencia. Puede usar cualquier hospital en caso de emergencia incluso si está en otra ciudad o estado. Dígales que es miembro de MCC of VA y muéstreles su tarjeta de identificación de miembro.

**Dónde acudir para recibir atención urgente**
La atención que se necesita con urgencia es aquella que usted obtiene para tratar una enfermedad repentina, una lesión o una condición que no es una emergencia pero que necesita atención de manera inmediata. Por ejemplo, puede tener una afección existente que empeora y necesita tratamiento de inmediato. Otros ejemplos de cosas por las que recibiría atención urgente son erupciones en la piel, infección, gripe, esguinces y fiebre.

Si necesita atención urgente durante el día laboral, llame a su PCP. Si no puede obtener una cita con su PCP, o si es fuera del horario de atención, puede ir a uno de los centros de atención urgente con los que trabajamos. Hay una sección en este directorio que enumera los centros de atención urgente.

Cuando se encuentre fuera del área de servicio, usted podría no recibir atención por parte de un proveedor de la red. En ese caso, nuestro plan cubrirá la atención que se necesita con urgencia que reciba de cualquier proveedor.

**Transporte en caso de emergencia**
Si está ante una situación de emergencia médica y necesita transporte, llame al 911. Nosotros pagaremos el transporte en caso de emergencia.

**Obtenga transporte para sus servicios cubiertos**
¿Necesita ir a sus citas médicas? Intente conseguir un familiar, amigo o vecino que lo ayude a llegar a su cita. Si no puede encontrar a alguien que lo lleve, nosotros le ayudaremos. Llámenos al 1-800-424-4518 (TTY 711) para programar un viaje. Llame con al menos 72 horas de anticipación a su cita.

**Cómo utilizar este directorio**
Hay información en cada uno de los listados para ayudarlo a decidir qué proveedor o establecimiento es mejor para usted. Si tiene alguna pregunta sobre la información o necesita ayuda, llame a Servicios al Miembro.
