

## Provider Notice

Thank you for being part of the Magellan Complete Care of Virginia (MCC of VA) provider network and helping our members live healthier lives.

This notice is to alert you that soon we will have a dedicated fax number for all behavioral health and Addiction and Recovery Treatment Services (ARTS) service authorization submissions and providing supporting clinical documentation for utilization review determinations. This new dedicated fax number will be for behavioral health and ARTS matters regarding Commonwealth Coordinated Care Plus (CCC Plus) and Medallion 4.0 members. We will send another notice providing you with the new fax number shortly before implementation and availability for use.

You can find information on submitting prior authorizations on the [Working with MCC page](#) of our website or in your provider handbook.

If you have any questions, send an email to [UM\\_MCCofVA@mccofva.com](mailto:UM_MCCofVA@mccofva.com) or call us at 1-800-424-4524.
